Our new website is up and running. We now have both a public area and a members only section. In the public access section we have general club information, an application and our calendar. The members only section includes a .pdf (Adobe Acrobat) copy of the newsletter (starting this August), a membership directory, and a list of board members and their contact information.

To access the members only area from the website you must be a DSC member;

Username = FirstnameLastname (all run together, no spaces, capitalization DOES MATTER)

Password = FirstnameLastname (all run together, no spaces, capitalization DOES MATTER) – up to the first 10 characters.

Example = John Q. Snowboarder would be user name = JohnSnowboarder and password = JohnSnowbo.

When you first log in as a member, you will see there is the opportunity for you to change user name, password, mailing address, phone numbers and email address by clicking on "Edit Your Profile". If you have an email address listed, you can request the system send you your username and password in the future, should you forget what it is.

Message from the Prez:

Ok, its official! We had a FANTASTIC trip to Big Mountain for New Years day! The snow was good and the celebration at the Bierstube exceeded all of our expectations. IF you get a chance, let Bill Barker know what a great job he did making all of the arrangements. There may have been some minor details but nothing major and certainly nothing that couldn't be worked around.

We also had a FANTASTIC day trip to Mission Ridge! Thanks to Rob Davis for setting this one up! This trip went so well that Rob went ahead and scheduled another for January 13th. This has turned out to be a very affordable and convenient way for us to get to a great local mountain for a day of skiing. IF we can fill the bus on each trip maybe we should start talking about making these day trips a regular feature?

Check out the rest of the schedule either on the website www.desertskiclub.org or in the newsletter. We have more fun coming up! In addition to our Mission Ridge Day Trip, we have the Bluewood Fun Day on January 20, and Silver Mountain on January 26, 27 & 28. February 3 and 4 features a trip to Anthony Lakes, near Baker City, OR. The Northwest Ski Club Council will be at Anthony the same weekend we will. Then on February 23, 24 and 25 we're off to Bogus Basin near Boise, ID. Look ahead to these trips and those upcoming in March. IF you have some time on your hands and are looking for a fun way to get out and enjoy yourself, there is no better way than to go with the Desert Ski Club!

Take care, have fun and be safe!

Wagonmaster Report

The skiing has been great so far, the Pacific Northwest is the place to ski. Of course we are down to our last trips. The Silver Mountain trip is again off to another success this season filling the bus in record time. The Anthony lakes bus is packed with the people that make skiing fun. Our Bogus Basin trip has some openings this is a great trip for the location and snow conditions. Be sure to get on that list, this trip will sell at the next meeting, you can't beat the value 2 days, 2 nights, own bed for \$200. The Schweitzer and Mt. Bachelor are right on track for great times ahead. Robo
